

APPLICATION for HYPNOSIS FOR COMMUNITY WELLNESS

IHTC programs are inclusive and respectful. These programs strive to be anti-racist, pro-gender diversity, pro-sexuality diversity, pro-spirituality diversity, etc. and to consider intersectionality in learning and in care for our clients. (However, there is always room for improvement. Suggestions and critiques are welcome.) The bottom line is: **hate and bigotry have no place in this program.** As a student of IHTC and Hypnosis for Community Wellness do you agree to abide by these intentions?
